

Support for Publication of Professional Academic Books

1. Purpose

- To promote the production of outstanding professional academic books, this project supports the actual expenses for the publication of books through Yonsei University Press by teachers affiliated with Yonsei University

2. Subject

- Professional academic books published through Yonsei University Press by teachers affiliated with Yonsei University

※ Excludes books with textbook traits

3. Provided amount

- Actual expenses consumed in publication through Yonsei University Press: the Office of Research Affairs 50%, Yonsei University Press 50% (up to 10 million KRW provided for book)

- For professional academic books that are published by translating domestic publications into a foreign language, 50% of the provided amount (from the Office of Research Affairs) can be used as personnel expenses.

4. Application procedure and method

A. Apply via Research Management System (<http://rms.yonsei.ac.kr>)

B. Go to Research Management System: Log in -> Apply project -> Apply school project -> Support project for publication of professional academic books -> Click Apply -> Register project information, upload book publication request form -> Click Register Researcher -> Register researcher and save -> Click Next -> Enter budget (expected issue cost) -> Click Request Confirmation

C. Submitted application form and book publication request form are sent to Yonsei University Press (processed by manager of the Office of Research Affairs)

D. Documents are evaluated at Yonsei University Press (processed by manager of Yonsei University Press)

E. Yonsei University Press contacts researcher (processed by manager of Yonsei University Press)

F. Yonsei University Press submits receipt including publication costs to the Office of Research Affairs (processed by manager of Yonsei University Press)

G. Amount provided by research center (processed by manager of the Office of Research Affairs)

H. If 50% of the amount provided by the Office of Research Affairs is used as the personnel expenses for translation, the evidentiary document will be attached after the translation is completed, and the amount will be provided afterward.

5. Limitations

- This project only supports professional academic books published by teachers affiliated with Yonsei University. Subjects that have received support by violating this regulation must return the provided amount and are prohibited from future applications.

6. Other

- This project will be executed from June 1, 2009.

- This project will be executed within the total project budget limit appropriated in the relevant school year.
